

MISSION REPORT

MAY – OCTOBER 2025

Greetings in the precious name of our Lord Jesus Christ.

By the grace of God, I would like to submit this mission report covering the last six months. I humbly mention that this report is delayed, as I was continuously engaged in the mission field work and overseas ministry trips, which did not allow me sufficient time to prepare and submit the report earlier.

Mission Activities and Gospel Outreach

During these past five months the Lord has enabled us to actively preach the Gospel of the Kingdom in various places. The primary focus of the ministry remained on reaching the unreached, unbelievers, and new areas where the name of Jesus Christ is not widely known.

Many people heard the Word of God for the first time, and several showed openness and interest in the Gospel.

We conducted two gospel meetings in Dhariwal. Please keep these precious souls in your prayers, that they may grow in the knowledge of the truth and be established and grow spiritually in Christ.

Church and Fellowship Ministry

Regular church services and fellowship meetings continued faithfully. Newly baptized believers and seekers were encouraged through teaching, prayer and personal discipleship.

The Lord helped strengthen small church groups, and unity among believers was maintained by His grace.

By His grace, the Lord continues to add souls to His fold.

Baptisms and New Believers

We rejoice that the Lord continues to add souls to His Kingdom. Several believers publicly testified of their faith through water baptism. New believers are being grounded in the Word through regular teaching and discipleship. Follow-up is being done to strengthen them in faith and Christian living.

We humbly request your prayers for those who have been newly baptized, that they may be firmly rooted in Christ, grow in spiritual maturity, remain steadfast in faith, and walk in obedience to the truth

Sunday School Ministry and Bible Quiz

We successfully conducted a Sunday School Bible Quiz Competition, and gifts were distributed to all the children as a token of encouragement and appreciation.

children as a token of encouragement and appreciation.

By the grace of God, the Sunday School ministry is being conducted regularly to nurture children and young believers in the Word of God.

Children are being taught Bible lessons, Scripture memory, and Christian values.

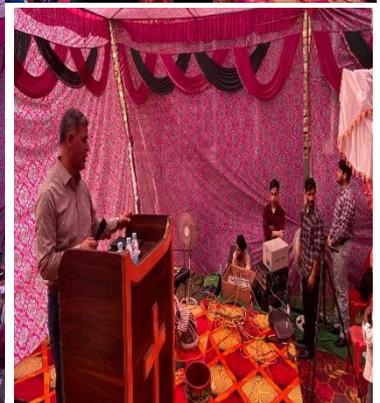

A Bible quiz competition was conducted to encourage them to study and love the Word of God.

Prizes were given to all participants as an encouragement, which brought great joy and motivation among the children.

This initiative has helped build spiritual interest and enthusiasm toward learning the Scriptures.

Kindly remember our Sunday School teachers in your prayers. As they labour faithfully to build up the children in the Word of God

Youth Meetings and Special Gatherings

By the grace of God, we were able to conduct a youth meeting in two sessions, morning and evening in the Gurdaspur area.

Young brothers and sisters from different churches gathered and nearly two hundred youth attended the meeting. The meeting was a great success, and the Lord richly blessed the fellowship. During the ministry of the Word, many of the youth dedicated themselves afresh to the Lord. God graciously granted me His anointing and inspiration to encourage them to live a Christ-centred life amid a dark and challenging world. And to stand firm as lights and witnesses for His glory.

Please keep them in your prayers

Gospel Outreach and Evangelism

By the grace of God, we conducted an open-air gospel meeting on the street in Bahian village. Many villagers gathered, especially during the evening, a large crowd assembled. Several people heard the message of salvation for the first time. Brother Ajit is serving the Lord tirelessly in this village. And the local brothers are faithfully doing the follow-up work.

We humbly request you to keep him and the ministry there in your fervent prayers.

By the grace of God, we conducted several evangelistic outreaches in villages and towns where the gospel witness is limited or absent. Open-air meetings, home fellowships, and personal evangelism were carried out faithfully.

The Word of God was preached boldly in unreached and resistant areas. Many unbelievers, including people from non-Christian backgrounds, listened attentively to the

gospel. Open-air meetings were well attended, and the presence of the Lord was evident.

By the grace of God, many things have been accomplished during the last six months, including baptisms, youth meetings, discipleship, evangelism, and other ministry activities. However, it would be a long list to mention everything in detail. A few key highlights have been shared here simply to update you and to request your continued prayers for these ongoing ministries

All glory and honour be to our Lord Jesus Christ, who is faithfully building His Church. It is my greatest joy to serve Him in the mission field and to be part of fulfilling the Great Commission.

While the harvest is plentiful, there are ongoing challenges:

Opposition and spiritual resistance in unreached areas. Infrastructure needs, including accessibility to some church locations.

We humbly request your continued prayers: For the protection and strength of all workers. For open doors and receptive hearts. For wisdom, provision, and the leading of the Holy Spirit.

Thank you for your patience, understanding, prayers, and support.

Yours in His service,

Bro. Roshan Masih
